**Examples of devastated backyards situated in the city of Wrocław**

## **KEY PROJECTS**

### **THEME LINE: ARCHITECTURE**

### **„OUR BACKYARD 2.0” („Nasze podwórko 2.0”)**

#### **MAIN IDEA:**

- regeneration of the chosen backyard situated in the city of Wrocław (city center, Psie Pole district etc.)
- active participation of the citizens in the process of regeneration

#### **AIMS AND GOALS:**

- encouraging citizens of Wrocław to decide on the shape of common urban space,
- shaping urban spaces fitted to the needs and expectations of their inhabitants

#### **EXTRA FEATURES:**

- carried out in the city district where such regeneration projects have not been conducted before

Photography (in order):

- <http://miastowroclaw.blox.pl/html/1310721,262146,14,15.html?9,2009>
- <http://portfoliowk.blogspot.com/> (pho Wojciech Klauze)

**WROCŁAW 2016**  
Europejska Stolica Kultury

## KEY PROJECTS

### THEME LINE: ARCHITECTURE

### „WROCLAW'S ARCHITECTURE XX.XXI”

### („Wrocławska Architektura XX.XI”)

#### MAIN IDEA:

- creating an approachable and attractive guidebook presenting the most important and the most interesting buildings and urban planning schemes situated in the city of Wrocław

#### AIMS AND GOALS:

- promoting and disseminating knowledge about the architecture, architects and the city districts which developed over the past century

#### EXTRA FEATURES:

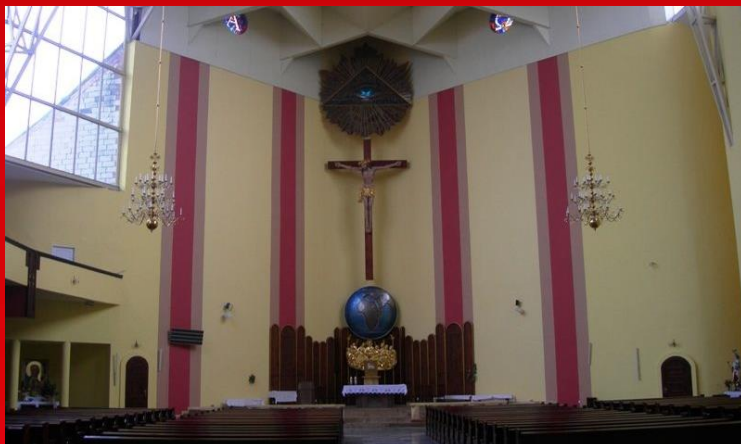

- including photos, plans, maps and essential information about the building and architects
- published in the different languages: Polish, English and German
- created as an application for mobile devices, enabling to locate interesting buildings in the nearest neighborhood

Photography (in order):

- <http://miastowroclaw.blox.pl/html/1310721,262146,14,15.html?9,2009>
- <http://www.10zdec.pl/10-zdjec-ludzi-czytajacych-ksiazki/>

**WROCLAW 2016**  
Europejska Stolica Kultury

**Temple of Divine Providence, Wrocław**

## Leading programme THEME: Opening up Spaces Church: Beauty and Kitsch

### DIAGNOSIS:

- negative evaluation related to the aesthetic level of new churches, their interiors and the literary quality of the hymns

### AIMS AND GOALS:

- reducing the distance between the current aesthetics of places of worship and contemporary art
- curbing the common phenomenon of religious kitsch

### FEATURES:

- carried out in collaboration with Christian churches, Jewish and Muslim communities

Photography (in order):

- <http://dolny-slask.org.pl/649316,foto.html?idEntity=509158>
- <http://dolny-slask.org.pl/658309,foto.html>

**WROCŁAW 2016**  
Europejska Stolica Kultury

## **KEY PROJECTS**

### **THEME LINE: ARCHITECTURE**

### **RENOVATION OF THE**

### **„TRZONOLINOWIEC” BUILDING**

#### **MAIN IDEA:**

- model renovation of one of the buildings erected in the 60's/70's

#### **AIMS AND GOALS:**

- promoting and disseminating knowledge about the architecture, architects and their profession
- creating an opportunity to discuss conditions and possibilities regarding adaptation of buildings dated back to the 60's/70's

Photography (in order):

- <http://dolny-slask.org.pl/4230073,foto.html?idEntity=509284>

**WROCŁAW 2016**  
Europejska Stolica Kultury

## KEY PROJECTS

### THEME LINE: ARCHITECTURE

### LOWER SILESIAN FESTIVAL OF

### ARCHITECTURE – SPECIAL EDITION

### („DoFA'16”)

#### MAIN IDEA:

- series of exhibitions, workshops, lectures, and debates dedicated to architecture and various aspects of urban planning

#### AIMS AND GOALS:

- promoting and disseminating knowledge about the Lower Silesian, Polish and European architecture
- creating an opportunity to discuss the conditions and future perspectives of modern architecture and the role of culture in the public urban spaces

#### EXTRA FEATURES:

- an abstract contest dedicated to the role of culture in the city

Photography (in order):
