

Learning from the TEN-T Days 2013 – Transport challenges and opportunities and role of the EU transport policy for European regions

28 November 2013, 10.00-12.00

Permanent Representation of Sweden to the EU, Square de Meeûs 30, Brussels

North Sweden European Office cordially invites you to a seminar on the implementation of the TEN-T and the Connecting Europe Facility, CEF, with keynote speakers from the European Commission, DG MOVE and DG REGIO, and from CPMR. The speakers will present the main conclusions of the TEN-T days and explain about synergies with the other policy initiatives the Northern Dimension Partnership on Transport and Logistics (NDPTL) and the EU Strategy for the Baltic Sea Region (EUSBSR) and how all of this could be used to support the development of regions. CPMR will give their standpoint from the perspective of European regions. The seminar will provide the possibility for players in Brussels milieu to take part in discussions with the European Commission on the role of EU transport policy.

Target groups are region offices, European institutions and players in transport, logistics and infrastructure from public sector and industry.
